## ***PASTOR WAYNE'S WORLD***

Christmas accolades and anticipations to the family and friends of Fridley UMC's family of faith.

A few personal observations concerning all the consecutive Christmases that have come my way. Certain words from Scripture and song seem to burrow into my consciousness and leave a deep mark of meaning for me.

One such Christmas carol is "O Holy Night." One of the phrases in the song, "Long lay the world in sin and error pining./Till he appeared and the soul felt its worth."

Tis the season of familiarity and fresh moments of deeper discovery. Known words and phrases suddenly shine forth with aching truth and meaning, the schmaltz and shallow sentimentality of the Christmas season replaced by splendid brilliance. "To save us all from Satan's power/when we were gone astray," is another line from another carol that reminds us of the sterile depictions of winter bleakness, that is balanced by our awareness of the love of our Savior who came into our darkness, and still must come for our sake.

During this Christmas season, may our many veils of illusion be lifted. May we discern who we are and who we are to be. May we project brilliant gratitude, that captives like us are in the process of transformational freedom that will include every molecule of the entire cosmos.

Trusting this Christmas will glisten with grace and glory in the midst of the winter's chill and darkness.

May our souls feel the worth of Christ, and the worth Christ bestows on us.

*In Christ, nothing will ever be the same again; the old will be made new.*

### **Howie Chatfield is retiring.**

Howie Chatfield, the church treasurer, is retiring at the end of December after over 3 decades of service.

Howie's dedication and knowledge of finances have been a great asset to FUMC over the years. FUMC

members have counted on Howie knowing that the financial well-being was being cared for. Since the pandemic started, Howie, as with many, has not been able to attend church. He has been missed!

To honor and recognize Howie's years of service, we are inviting members to write a message in a card or video a message for Howie. On the Sundays of December 5, 12, 19, there will be cards on the tables for friends and church members to write notes to Howie. The first 15 minutes after service each of these Sundays, Izak will video any member or group that wants to send a video message to Howie. Izak will compile a video with your messages.

A box will be on the counter for you to put your completed card. The cards and video will be presented to Howie at the end of December. You may take a card home and bring it back if that works better for you.

We want to recognize his legacy and bring cherished memories and appreciation for Howie. Please write a card and make a personalized video of your special memories, relationships and appreciation for Howie's hard work and friendships that he has had over the years.

Jennie Kratzer and Sheila Moenck are the new co treasurers. They have been learning the programs used by FUMC and Rainbow School and working with Howie. In the month of December, the new treasurers are taking over the responsibilities and Howie will continue to consult with them for a smooth transition. Effective January 1 Howie will be able to focus on his retirement and on his health and well-being.

### UMW MISSIONS

Alexandra House Mission: Please see the article on Alexandra House's need for volunteers due to the pandemic generating more calls and fewer volunteers.

November Mission: Healing Flats: Healing Flats is a nonprofit organization whose goal is to help provide comfortable and affordable accommodations for out-of-town Mayo Clinic patients whose procedures require long-term stay. Many Mayo Clinic patients have unique needs that hotels cannot accommodate. Longer-term housing is expensive, and the locations that *do* provide low-cost options have shared facilities, which make comfort more difficult to achieve. Healing Flats provides low-cost, apartment-style living that offers privacy and comfort for patients and caregivers. We are THANKFUL we can help them to secure another unit through our contribution.

December Mission: The holiday season brings FUMW an opportunity to give to the Fridley Schools. **We invite our entire congregation to participate in these gifts.** Both Hayes and R.L. Stevenson Elementary schools need our help to achieve their mission of striving for excellence and believing in each and every child! With our help they can meet their goal to guide each young scholar to succeed both academically and socially. They hold high expectations for all and nurture their communities to be lifelong learners that contribute to the greater good. In this spirit, UMW is also donating memorial funds. FUMW will need to receive your donations no later than Sunday 12/19/21. Thank you for joining us in this mission.

**NAOMI CIRCLE** will not meet in December. Instead, you are invited to attend the UMW Christmas party on Monday December 13<sup>th</sup> at 6:00pm at the church. The party is a potluck to be held in the lounge. If you need a ride, contact Pat King.

In September UMW hosted Ellen Krug to talk about her “gender journey.” As a man she had everything anyone could want: a soulmate’s love, two beautiful daughters, a house in the best neighborhood, a successful trial lawyer’s career. But there was a problem. She was a woman born into a male body. If you missed her talk or want a more in depth discussion of her journey to discover her true self and the honesty it takes to make life changing decisions, read her book, “Getting to Ellen,” found in our library. It’s a glimpse into the life choices that all of us make - whether or not we are transgender.

**THANK YOU VOLUNTEER DRIVERS:**

The following members and friends of FUMC delivered Meals on Wheels the week of October 18 - 22.

Two Day Drivers: Ron & Nancy Newport.

One Day Drivers: Fred & Barb Severni; Evie Skurich & Katherine Otten; Roger & Leone Olson; Jim & Diane Jachymowski; Jan & Mary Wright; Jean Mills & Ruth Hilliard; Gary Boyer; Mike & Tammy Hay; and Tim & Janet Fossum.

Impact Services dropped to a three-day delivery week. Seven of the spots that I would have had to fill, were filled by weekly and/or bi monthly drivers. The next time that we drive will be the week of December 13 - 17. I never know how many spots they will assign me to fill, so new drivers are always welcome and needed.

Questions or to sign up, please call Janet Fossum.

### **A Christmas Prayer:**

*Dear God, please bless this Christmas season with peace, joy and love.*

*May the happiness (and humility) of Baby Jesus' coming be felt in every home.*
